B. Dwelling quality and size: No dwelling shall be permitted on any lot having less than 1800 square feet of living area for a one-story dwelling, nor less than 1600 square feet of living area on the main floor for a dwelling of more than one-story exclusive of porches and garage. D. Lot area and width: In no case shall any lot be altered for the purpose of placing more than one house per lot.

E. Easements: Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat, if such are shown thereon, and over the front five feet of each lot.

No pets shall be allowed to run loose in the neighborhood. No commercial activity may be carried on within this addition. Yard sales or garage sales are restricted to one per year per residence. Open house directional signs if used at street entrance must be left in place only when "Open House" being advertised, is staffed by sales person and must be removed when sales person leaves for the day. No political yard signs will be allowed in this subdivision. No travel trailer, camper, travel bus, boat, boat trailer, or inoperative car or truck shall be kept on any lot for more than two days unless it shall be enclosed or screened from sight.

No commercial vehicle with signs of business connected activity shall be left on drive way over night, but must be screened from view of street or parked inside garage. Only umbrella type clothes lines shall be allowed. Satellite dish antennas will not be permitted.

G. Temporary structures: No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other out building shall be used on any lot at any time as a residence either temporarily or permanently. No trailer shall be kept on any lot for more than 2 days except for use as a construction office during the construction of a residence.

H. Sight distance at intersections: No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between 2 and 6 feet above the roadways shall be placed or be permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points 25 feet from the intersection of the street property lines extended. The same sight line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement. No trees shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at a sufficient height to prevent obstruction of such sight lines.

B. Enforcement: Enforcement shall be by proceedings at law or in equity against all persons violating or attempting to violate any covenant either to restrain violation or to recover damage.
